

A brief guideline for UALG ALLIANCES 2023/2026 application

Dear Applicant,

the following is the information that may help you to become more aware of the essential points for a successful application to UALG ALLIANCES (UA) 2023/26 Project.

When entering [UALg Alliances 2023/2026](#) page, starting on October 16th, the option “Register here” will appear, which will allow you to create a username and password. After its validation, through the link sent to your email, you will be able to start your application by clicking “Add”. The applicant code is generated automatically.

For a successful application, please keep in mind that the more complete your application is, the more chances you will be selected.

All documents or sections marked as MANDATORY must be added/filled, otherwise, your application will not be eligible.

Your final evaluation grade will consist of CURRICULUM (50%), PROJECT PROPOSAL (30%) and LANGUAGE SKILLS (20%). Thus, please ensure you provide all necessary information.

It is okay if you do not attach a pre-acceptance letter from a Host Institution, however, it may increase your chances to be selected.

There is no “Submit” button, you can make changes in your application as many times as needed, the submission will automatically take place on the deadline date.

Remember to use the “CONTACT ME!” option (bottom of the UA page) to any doubt you may have:
